

LUNCH AGREEMENT 2026/2027

CONNECT • GROW • SHARE

The school lunch program serves delicious and nutritious lunch options every school day. Menus are distributed weekly via *Pieces of the Rock*.

GENERAL INFORMATION

- Student hot or sack lunch orders are placed each morning as they arrive to their homeroom.
 - Students who arrive late need to order their lunch at the school office.
- In addition to hot or sack lunches, students may order extra entrée and side options as well as charge à la carte lunch items to their prefunded account.
- Your child must have permission to charge extra and à la carte lunch items to your prefunded account.
 - Please talk with your child about extras, how often they may have them and about making good choices.

COST

- Student Hot or Sack Lunch - \$3.95 each
- Lunch Extra & à la carte Items
 - \$1.50 each – Extra Entrée, Sandwich, Salad, Soup
 - \$0.25 - \$2.00 each – Extra Sides, Packaged Snacks, Fruits, Vegetables, Frozen Juice Treats
 - \$0.50 - \$1.75 each – Milk, Water, Juice
- Parent/Adult Hot or Sack Lunch - \$4.95 each
 - Call or email the school office and make arrangements before 9:00 am

LUNCH RULES

- In order to provide a cheerful and enjoyable atmosphere during the lunch period, all students are required to follow the common rules of courtesy and table manners. To assist students in observing these rules, teachers and/or volunteers will supervise them during the lunch period.
 - ☞ Teachers will encourage but not force students to eat everything on their plates.
 - ☞ Teachers will encourage proper manners at lunchtime. Each class is responsible for cleaning up its area before leaving the lunchroom.
 - ☞ Students are not allowed to have soda pop at lunch.
 - ☞ Students are not allowed to have restaurant food brought to the cafeteria at lunch.
- Lunch rules are essential to providing a safe environment for our students. **All school rules must also be followed during lunch.** School rules are available for review in the school handbook.

BILLING

- Your lunch account balance is available through your FACTS Family Portal.
 - Your Lunch account is a prefunded account.
 - Check your balance and keep the account prefunded. If your account is not prefunded, you will need to add additional funds to continue use. An automated message system will notify parents frequently of any outstanding balances.
 - Even if an account is negative or zero, charges may continue if they establish and maintain a good history of making payments on their food service account.
 - Students with food service accounts that fall into a negative balance and no longer demonstrate a consistent history of timely payments may be restricted from purchasing a la carte and extras. The Food Service Manager reserves the right to limit meal choices and provide only the alternate lunch until the account is brought current and a positive payment history is reestablished.

- Accounts designated for an alternative lunch plan will receive a predetermined meal consisting of a sandwich, fruit, a vegetable, and milk as the only option for lunch. Because there are no choices, substitutions, or add-ons to the alternative lunch, the same meal may be served each day.
 - If a student un-enrolls from St. Peter's with a negative balance in their lunch account, the school general fund will cover any uncollected balance.
- Clubhouse snacks and Middle School morning snacks are charged to the same account as all lunch charges. Each permission to make these purchases is separate in the registration packet.
